Call For Papers

Invited Session
Intelligent Systems

In order to get high quality papers, we invite you to submit paper to Invited Session on Intelligent Systems in International Conference on Machine Learning and Cybernetics (ICMLC) 2020.

Description

The goal of this invited session is to bring together researchers interesting in Intelligent Systems. Researchers from these areas are encouraged to submit proposals to present their work related to fuzzy systems. Submissions will be evaluated on the basis of their innovation, relevance, scientific contribution, and presentation.

Topics of Interests

- Image Processing
- Speech Recognition and Synthesis
- Intelligent Information Systems
- Intelligent Agent
- Inductive Learning
- Intelligent Control
- Sample and Feature Selection
- Evolutionary Computation
- Data Mining
- Image Processing
- Automated Reasoning

- Knowledge-Based systems
- Information Retrieval and Integration
- Machine Learning
- Pattern Recognition
- Robotics
- Image Processing
- Support Vector Machines
- Mobile Intelligence
- Web Intelligence
- AI Applications

- Computer Vision
- Neural Networks and Support Vector Machines
- Intelligent E-Learning/Tutoring
- Semantic Web
- RFID Applications
- Intelligent Internet
- Big Data
- Computer and Communication Networks
- Genetic Algorithms
- Other Related Topics

Important Dates

Submission Due:	**15 April 2020**
Notification of Acceptance:	**1 May 2020**
Registration Due:	**20 May 2020**
Camera-Ready:	**20 May 2020**

Paper Submission

Authors must submit an electronic copy (in word or pdf) of their complete manuscript directly to the Session Organizer (smchen@mail.ntust.edu.tw) before April 15, 2020

Organizer

Prof. Shyi-Ming Chen
National Taiwan University of Science and Technology, Taiwan
(smchen@mail.ntust.edu.tw)
